Hi Stacey,

I found the original FL140007 submission in OPPIN.

Unfortunately the "Label image" isn't working. I don't know if that is tied to the OPPIN Query issues.

I've also attached the newer submission with only the expiration date updated. I don't know if that will be acceptable for the FOIA request.

I'm confused if they want just the 2 documents or all the correspondences as well associated with those documents. Not sure if they just did a bad cut and paste job?

Thanks,  
David L.

Good Morning gentlemen,

I work in The Public Information and Records Integrity Branch of The Communication Services and Information Division of OPS and I was hoping you might be able to assist me with a FOIA Request I have received. I am attached the original request letter from The Center for Food Safety to this email as it supplies the greatest amount of detail to the request. Any assistance you could provide with this FOIA Request would be greatly appreciated.

Sincerely,

Gibbs Moore
